Learn The Shona Language

Basic Shona Verbs
Illustrated

verenga - read

vaka - build

Suitable for
beginners

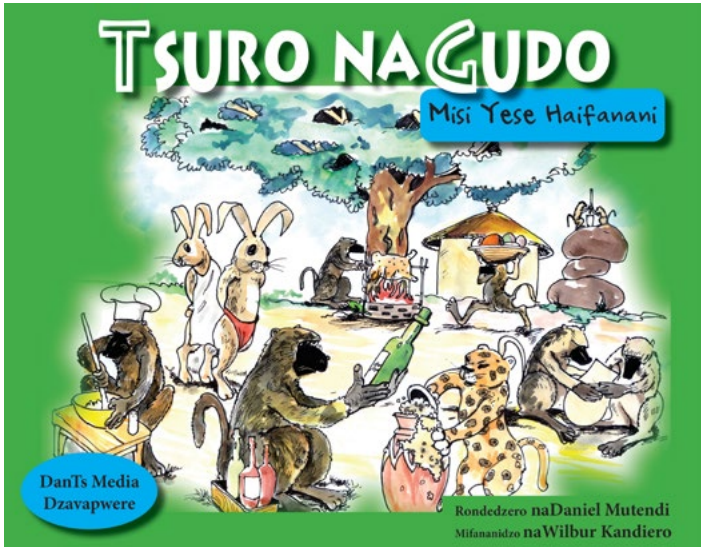

By Freddie Dhlamini and Daniel Mutendi

Learn The Shona Language:

This book is most suitable for those learners who can read English already. It is about basic Shona verbs, illustrated. A verb is given in Shona and its English version or phrase is given next to it with the aid of an illustration. It has a total of 160 verbs carefully classified into 16 groups. Parents can also find this book useful for extra lessons at home.
